

CAMERON COLEMAN

FULL-STACK DEVELOPER

9015 Cattle Baron Path, Unit 1003, Austin, TX 78747 • 512-317-4414 • camdenzelcoleman@gmail.com
<https://www.linkedin.com/in/camerondenzelcoleman/> • <https://github.com/cdenzelcoleman>

OBJECTIVE

Highly motivated Full-Stack Developer with a proven record of leadership and innovation, transitioning from a successful 10+ year career in hospitality management. Combining expertise in React, Node.js, Python, Django, and OpenAI API integration, I aim to deliver scalable, customer-centric solutions that bridge intuitive design with robust technical functionality.

WORK EXPERIENCE

TECHNICAL SKILLS —

- **Languages:** JavaScript, TypeScript, HTML, CSS, Python, SQL
- **Front-End:** React, Redux, Next.js, EJS; Responsive Design, UI/UX
- **Back-End:** Node.js, Django, Express; RESTful API & Microservices Architecture
- **Databases:** MongoDB, PostgreSQL, MySQL
- **DevOps & Cloud:** Docker, AWS, Git, CI/CD
- **AI & Machine Learning:** OpenAI API integration, Basic ML Workflows
- **Methodologies:** Agile/Scrum, Full-Stack Development, UX/UI Design, Continuous Integration/Deployment
